

Mentoring

*So speak encouraging words to one another.
Build up hope so you'll all be together in this,
no one left out, no one left behind. 1 Thess 5:11*

Mentoring is about growing personal Awareness , developing the quality of your interpersonal relationship with others and deepening your intimacy with God.

We are not meant to do this alone.

Without good direction, people lose their way; the more wise counsel you follow, the better your chances (Proverbs 11:14)

Tammy has been married for 24 years, has two children aged 14 and 11 years and has been in ministry for 24 years working in the Local church and beyond.

“I have seen too many in ministry come and go and fall away from God and/or ministry. I would love to journey with women who want to be strategic about staying in ministry for the long haul. Together we will look at what it means to juggle motherhood, being a wife and being in ministry all at the same time.

Happy to chat if you're looking for a mentor.....
